HealthSpace Data Systems Ltd. Appoints Alnesh Mohan to Board of Directors

VANCOUVER, BC – October 17, 2016 - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) is pleased to announce that Alnesh Mohan has been appointed to the Company’s Board of Directors.

Mr. Mohan has been a partner at Quantum Advisory Partners LLP, a professional services firm focused on providing Chief Financial Officer and full-cycle accounting services to private and public companies, since 2005.

Mr. Mohan has over 20 years of accounting, auditing, and tax experience providing advisory services to a wide array of clients. Acting on behalf of several public companies, Mr. Mohan has acquired considerable experience in financial reporting, corporate governance and regulatory compliance. He spent over a decade working within the Big 4 public accounting firms, including four years with KPMG LLP in Vancouver as a tax manager providing corporate and personal tax consulting and compliance services to clients both in Canada and the United States.

Mr. Mohan commented: *“I am pleased to join the team at HealthSpace and I look forward to contributing to the Company’s successes”.*

“Mr. Mohan compliments our existing Board perfectly as he brings demonstrated and relevant industry experience to the table. We look forward to his experience and perspective as a Director of HealthSpace.” Commented Warwick Smith, CEO.

HealthSpace is an industry leader providing inspection, information and communication management systems for federal, state, county and municipal governments. Over the last decade the Company has successfully developed both enterprise and mobile internet-based applications currently serving over 300 state and local government organizations across North America. Clients range in size from small county organizations to state-wide systems with over 910 concurrent users, as well as national programs. HealthSpace specializes in the field of developing, installing, and maintaining inspection and regulatory management systems for environmental and public health organizations.
